NOTE BY THE DIRECTOR-GENERAL

**CALL FOR NOMINATIONS FOR THE NINETEENTH ANNUAL WORKSHOP
TO COORDINATE ASSISTANCE AND PROTECTION UNDER ARTICLE X
OF THE CHEMICAL WEAPONS CONVENTION
SAMARKAND, UZBEKISTAN
24 – 26 SEPTEMBER 2019**

1. The Director-General of the Organisation for the Prohibition of Chemical Weapons (OPCW) wishes to invite States Parties to nominate representatives to participate in the “Nineteenth Annual Workshop to Coordinate Assistance and Protection under Article X of the Chemical Weapons Convention”, which will be held in Samarkand, Uzbekistan, from 24 to 26 September 2019.
2. The workshop will provide a forum in which States Parties will share their experiences in relation to the implementation of Article X of the Chemical Weapons Convention (hereinafter “the Convention”), and exchange views on new approaches and trends in this regard.
3. The workshop is intended to draw together officials and experts from National Authorities, government ministries involved in responding to chemical emergencies, the chemical industry, and relevant organisations associated with the implementation of Article X. Participants will review relevant OPCW activities during the last year, exchange ideas regarding challenges relating to the implementation of Article X, and discuss issues related to the preparedness of the OPCW to respond to an incident involving chemical weapons.
4. Given the purpose of the workshop and its technical nature, candidates will be carefully selected and should be involved in implementing Article X in their respective countries or work in areas directly related to the implementation of this article of the Convention. Taking into account the fact that the workshop and associated discussions will take place in English, it is a strong requirement that participants have a good command of the English language, both written and oral.
5. The Secretariat expects to be able to cover the travel costs of a limited number of participants nominated by Member States. When proposing candidates for the workshop, Member States should specify whether such sponsorship is a condition of their participation. For sponsored participants, the Secretariat will cover the costs of travel, medical insurance, accommodation, and meals, and will provide a limited subsistence allowance to cover sundry expenses. Within two weeks after the application deadline, selected participants will receive an acceptance letter from the

Secretariat confirming that they will be able to attend the workshop. Further details about accommodation, the workshop venue, and transport will be issued to participants at a later date.

6. When making travel arrangements for sponsored participants, the Secretariat will seek the most economical options. Participants are expected to arrive **on Monday, 23 September 2019** and to depart **no later than Friday, 27 September 2019**. The Secretariat will not cover expenses unrelated to the workshop or that result from unauthorised changes to travel arrangements. Sponsored participants must bear all costs resulting from changes they make, including cancellations, once the Secretariat has purchased their tickets. Selected participants who are unsponsored are requested to make their own travel arrangements.
7. Interested applicants are invited to register their nomination online through Eventus, the OPCW event management system, **no later than 15 July 2019**. The Eventus registration link is accessible via the OPCW website at: <http://apps.opcw.org/eventus>. Please note that all questions marked with an asterisk (*) must be answered in order for the nomination to be received and for the candidate to be considered for this event. The endorsement form attached as Annex 3 to this note must be uploaded during the registration process. Interested applicants who, for technical reasons, are unable to submit their application online via EVENTUS are requested to complete and send the nomination and endorsement forms attached as Annexes 2 and 3 to this Note to EmergAssistBr@opcw.org with reference to the name and location of the event in the subject line.
8. The provisional programme for the workshop is included as Annex 1 to this Note; further details will be issued at a later date. Additional information may be obtained from the Assistance and Protection Branch, International Cooperation and Assistance Division.
